

Streamline Terms of Service

South Montebello Irrigation District

The fee for South Montebello Irrigation District's use of the Streamline platform will be \$200.00 per month (based upon annual operating revenue and membership with CSDA per our [published price list](#)). There are no contracts, and service can be canceled at any time. There are no other fees related to the hosting and use of the platform. **Unlimited hosting and support are included**, as are all new features we build, including anything you need to help you stay compliant with existing and upcoming state and federal requirements.

All invoices will come from our parent company, Digital Deployment. Our W9 can be downloaded from [our website](#) at www.getstreamline.com/streamline-w9
